PROJECTS

The Flavor File │ https://github.com/jdiego-1805/TheFlavorFile │ https://ancient-forest-88387-23a1d890f447.herokuapp.com/
- *For a user to easily create and save recipes on their profile to view for a later time.*
- *My role was mainly working on the backend of the project with a little help of front styling.*
- *React, GraphQL, Node.js, Express.js, MongoDB, JWT, CSS*

MySteamList │ https://github.com/dawn-kline-m/My-Steam-List │ https://thawing-peak-13246.herokuapp.com/
- *A place for users to save reviews of their favorite video games or create a wish list*
- *My role was mainly working on the backend of the project with a little help of front styling.*
- *Handlebars.js, MySQL, Node.js, Materialize, Sequelize*

Star Wars Random Character Generator │ https://github.com/Milywayz/Project-1 │ https://milywayz.github.io/Project-1/
- *This was for users to generate their very own random star wars character with a click of a button and being able to save it for later*
- *My role was mainly working on fetching from the Api and putting the data on the page with local storage.*
- *HTML, JavaScript, BootStrap*

EXPERIENCE

Shop Hand   2022-2023
Southern Inventions, LLC   Granbury, Tx

During my time as a Shop Hand, I quickly learned to operate and maintain various tools and equipment required for the job. I adeptly adapted to new tasks and processes, demonstrating my ability to grasp concepts and apply them effectively.Overall, as a Shop Hand who has acquired a significant amount of knowledge in a short period, my transferable skills, such as effective communication, critical thinking, adaptability, and attention to detail, make me well-suited for the role.

- *Full-time Position*

Merchandiser   2018-2020
Fisher59   Denton,TX

As a Merchandiser for a beer company, my responsibilities include entering grocery stores to stock beer, rotate product dates, build eye-catching displays, and effectively communicate with store staff and my salesman. In addition, I have taken on the role of training new team members when working together, although most of the time I work independently, demonstrating my ability to work autonomously and efficiently in this position.

- *Full-time Position*
- *Received a raise*

Merchandiser   2017-2018
Andrews Distributing   Fort Worth,TX

As a weekend Merchandiser for a beer company, I work closely with a partner throughout my shifts. Our primary responsibilities involve entering grocery stores to stock beer, rotate product dates, and build eye-catching displays. In this collaborative role, effective communication is essential as we coordinate with store staff and our salesman to ensure smooth operations.

- *Part-time Position*
